

MIXA® – The Best for Kitchen

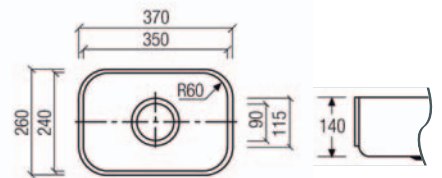

MIXA® is a high performance kitchen sink. A combination out of solid surface material and stainless steel. MIXA® sinks maximise the beauty of Solid Surface whilst combining the practical qualities of stainless steel. MIXA® enables to create a colour co-ordinated countertop flow into a stylish sink of the same colour. MIXA® is easy to use and maintain. MIXA® sinks are backed by a 10 year limited installed warranty when installed by a qualified fabricator or service center. MIXA® - the original, fully certified by Pfeiffer.
